## Nest Register of Interests

---

### Declaration of interests for Sarah Laessig for the five years preceding the date of signature.

This declaration lists all interests that members of the public might reasonably think could influence the Board Member's judgement or which are likely to affect prejudicially the discharge of their functions as a member of Nest Corporation's Board, such as:

- › Direct pecuniary interests;
- › Indirect pecuniary interests – these are interests that arise from a connection (partnership, employment relationship, other significant relationship etc.) with bodies or persons which have a direct pecuniary interest, and;
- › Other interests not covered elsewhere in the register and relevant to your role at Nest.

This information (including in respect of the "related parties" referred to below) is also required to assess Nest's compliance with the restrictions imposed by legislation in respect of employer-related investments.
